This is how you write a footnote[1].
One can refer to footnotes[2]
See footnote 2 or maybe[2] to see how to refer to footnotes.
Space before a footnote should be ignored[3]
Footnotes can be defined using a start-stop as well[4]

---

[1] This is a footnote
[2] This is a footnote with a reference.
[3] This is another footnote
[4] This is a block footnote
